Reservations made through

RAVEN & JACOBSON

174 King Street - Honolulu

Hotel St. Francis

Union Square, San Francisco
Under the Management of
JAMES WOODS

FACING the beautiful park in the heart of the city, which is the theatre of the famous festivals of San Francisco, this hotel, in environment and atmosphere, expresses most pleasantly the comfortable spirit of old California.

The royalty and nobility of the Old World and the Far East and the men of high achievement in America who assemble here contribute to the cosmopolitan atmosphere of an institution which represents the hospitality and individuality of San Francisco to the traveler.

The building, which marks the farthest advance of science in service, has now the largest capacity of any hotel structure in the West, and upon completion of the Post street annex will be the largest caravanserai in the world. WHILE THE SERVICE IS UNUSUAL, THE PRICES ARE NOT.

European Plan from \$2.00 Up

The Colonial

A Tourist Hotel on the car line and within walking distance of the Post Office. It excels in every detail.

BIGGEST WORK
YET ATTEMPTED

Ala Moana Plan Up For Discussion Yesterday—Not Enough Money.

The Ala Moana filling-in plan, for which \$75,000 is now available, was brought up before Acting-Governor E. A. Mott-Smith, ex-Governor George R. Carter, chairman of the sanitary commission; President Pratt of the Board of Health and Superintendent of Public Works Marston Campbell at a meeting held in the Senate chamber yesterday afternoon.

"The \$75,000 which is available out of the \$150,000 appropriated from the loan fund is entirely inadequate for the work in hand," said the secretary, "and care must be exercised to make the best application of what little we have on hand. As a matter of fact, over \$1,000,000 is needed to carry out the work. The sewers came up for discussion mostly and the matter of relieving the present overcrowded situation and the gradual extension of the whole system was taken up."

"We considered the capacity of the people to look after their own cesspools and to have them pumped out. In some cases, however, many of them are too poor to have this done, and in others it is impossible to sink a cesspool owing to the low-lying nature of the soil."

"If we had enough money we could go ahead and make an ideal job of it, but under the present circumstances all that we can do is to carry out just as much as we can. It will be the most ambitious scheme that has ever been attempted yet, and the corner which was under discussion is the most difficult of the lot, because of the crowded condition and also of the many ownerships which have to be considered. The other end of the scheme will be much more simple, as the land is held by the big estates and it is only sparsely populated. Altogether we calculate that it will take 100,000 cubic yards to complete the job."

FIREMEN'S BRIGADE
MAKE A "RAINBOW CHASE"

The firemen's brigade at the central station on Beretania street, when a "rainbow chase" last night, when a false alarm was turned in from the police station, that the Schuman Carriage Company's building was on fire.

Assistant Deering and his men dashed down the streets and on arriving they found they were not needed, there being no fire.

The trouble originated from the fact that a pupule man reported to the central fire station that he was receiving Clerk Stewart of the police station. He said there was a fire at the Schuman Carriage Company's building, and Deering, believing it to be straight "dope" ordered his men out.

LOSES 2 YEARS BY BEING UNDER THE REQUIRED AGE

Owing to his being three weeks under age when he filed his first naturalization papers and this fact not coming out until two years afterwards, George M. Chrouns, a native of Sparta, Greece, yesterday filed his second lot of papers, having thus wasted two years. Since his first filing the law has been changed and the age is now eighteen.

Emile Louis Piedvache of Honolulu has filed his papers for naturalization, putting them in at the United States District Court yesterday.

Strike guards have a right to carry arms, according to a decision in a Cleveland common pleas court.

DEDICATION IS
NOW ON OCT. 8

Y. M. C. A. Week's Program Will Start Then and Go Through to Sunday.

The statement published in the Bulletin yesterday afternoon that October 8 had been fixed by the Y. M. C. A. as the commencing point for dedication week was confirmed at the meeting of the directors held last night when the final arrangements were made.

Apart from the program published some little time ago nothing new has been planned. On Sunday, October 8 the old building will be formally locked up by W. R. Castle, Monday afternoon a director's meeting will be held at five o'clock and will be followed by the dinner to the press and the pulpit.

Tuesday will be for the members and subscribers to the new building. Wednesday will be dedication day when the various speeches appropriate to the occasion will be made. Thursday is for visitors and the building will be thrown wide open for everyone.

Friday will be for the various teachers and educators in town and Saturday night will see a try-out of all the various athletic appliances and also games.

According to the estimates the sum of \$4,500 will be received annually from the rental of rooms in the new building.

Japanese Y. M. C. A.

Gayden N. Fisher wrote to the effect that Mr. Matsuzawa, the man who is to take over the secretaryship of the local Japanese Y. M. C. A. should arrive in Honolulu about December 1. The secretary is a graduate of an American College and son of a prominent Japanese official in Tokio, where he holds from. He is at present engaged in Y. M. C. A. work at Dairi, where he will leave to come to Honolulu.

George Johnson has been engaged as building superintendent and head janitor and F. H. Emmons as office secretary and bookkeeper. The latter is a man who was trained at the Y. M. C. A.

HILO SUPERVISORS REPLY TO GOVERNOR ON ARMY

The Hilo supervisors are not satisfied with the reply that they received from the Governor in connection with the removal of the army. He told them that they had delayed their complaint too long and wrote intimating this. They got together, however, and have now drafted out the following resolution for presentation to him.

"Your committee has considered the communication from W. F. Frear, Governor of the Territory of Hawaii, relating to the army site in the city of Hilo, and your committee recommends that the county clerk be instructed to notify the said Hon. W. F. Frear that inasmuch as the resolution was unanimously passed by the board of supervisors, it represents the wishes of the majority of the citizens of Hilo, that the army site be retained for public purposes, as it is the only desirable spot for public gatherings of any kind, and it is still the wish of the majority to have the site remain for public purposes. Therefore, your committee further recommends that the Hon. W. F. Frear be respectfully requested to heed the wishes of the Hilo people and have said lot withdrawn from public sale."

PERJURY, SAYS
JUDGE COOPER

Judge Henry E. Cooper refused to allow any mitigation of the sentence imposed on a Japanese named Kanai by the District Court, when the matter came up on appeal before him yesterday. He intimated that owing to the direct contradiction of the evidence someone had committed perjury, and also that he was not impressed with the testimony for the defense. Deputy City Attorney A. M. Brown appeared for the prosecution and Attorney Chas. Chillingworth for the defense.

The trouble arose on the steamer Waiilele, and over a job which the two Japanese were sent to clean up and which they thought the Chinese cook was responsible for. A war of words started, and then the prosecution alleges that the Japanese hit the Chinese cook over the head with a soda water bottle. The defendants state, on the other hand, that the bottle was only used in self-defense, and after the cook had taken Kanai by the throat and tried to choke him.

MILLIONS OF FOLKS
USE ONLY CASCARETS

They never have Headache, Bloating, Nausea, Sluggish Liver or Bowels or a Sick, Sour Stomach.

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable and uncomfortable you are from constipation, indigestion, biliousness and sluggish intestines—you always get the desired results with Cascarets and quickly too.

Don't let your stomach, liver and bowels make you miserable another moment; put an end to the headache, biliousness, dizziness, nervousness, sick, sour, gassy stomach, backache and all other distress; cleanse your inside organs of all the poison and effete matter which is producing the misery.

Take a Cascaret now; don't wait until bedtime. In all the world there is no remedy like this. A 10-cent box means health, happiness and a clear head for months. No more days of gloom and distress if you will take a Cascaret now and then. All druggists sell Cascarets. Don't forget the children—their little insides need a good, gentle cleansing, too.

KEELER READINGS END.

Charles Keeler, the poet of Berkeley, gave the second of his readings last night at the Young Hotel before an unusually appreciative audience, to whom he read many of his poems. Mr. Keeler will continue his trip around the world.

\$375,000,000 Is Now Being Spent
In Panama

Does anyone think this tremendous development will not increase the price of Panama lands?

Until recently it has not been possible for other than a Panamanian to acquire Government lands, but now they are open to all on equal terms.

Arrangements can be made, too, whereby lands can be cultivated on shares, so that all an investor need do is to purchase raw land from the Government and the development work can be paid from the crop itself, and the land put on an income paying basis.

Millions of People Own Their Plantations. Why Not You?

Price \$6.00 per acre; \$3.00 per acre on application; \$3.00 per acre in 4 years, without interest or taxes. The time to buy is NOW. Even if uncultivated these lands are likely to be worth \$20.00 an acre by the time the Canal is opened. Write today.
